

STATISTICS CLASS ACCOUNT FORM

Class for which assigned: s239
Account login name: s239
Account password: lieV4Edi (phonetic: el-ahy-eeh-vee-four-eeh-dee-ahy)

Be careful in reading and typing your login name and password to distinguish among upper and lower case letters and numbers. The first time you login, the computer will ask for your first and last name and your UC student identification number (SID). Please be prepared to enter this information the first time you log in. **YOUR SID WILL REMAIN CONFIDENTIAL** and both your NAME and your SID are **REQUIRED INFORMATION**. You will be prompted to change your password the first time you login.

Once you have logged in and changed your password, read the rest of this sheet, sign it at the bottom, and return the entire sheet to your GSI or instructor.

This account expires on the first day after the end of final exams or after the last class project is due, whichever is later. It may be used for legitimate purposes only (coursework for the class for which it is issued). Each account is issued to exactly one individual who agrees not to permit anyone else to use the account.

Computers and printers for class use are in 342 and 432 Evans.

The computers are to be left on at all times; DO NOT turn the power off. After you log out, just leave the computer powered on.

The use of SCF computing resources requires compliance with the Berkeley Campus Computer Use Policy and the University of California Electronic Communications Policy (ECP).

Acceptance of this account implies acceptance of the following statement (wherein the word "I" refers to the owner of this account). Please read it, sign below, and return the entire page to your GSI or instructor.

I agree to use this account only for class work. I understand that abuse of the account or any system resources may lead to termination of the account and to denial of future access to the entire SCF system. "Abuse of the account" includes, but is not limited to, repeated failure to follow posted rules for use of the facility; playing games (forbidden on this system); unauthorized attempts to access accounts, files, or system resources of others; malicious mischief of any sort; and failure to comply with direct requests of the system staff regarding use of system resources. Files under this account are not personal property; as such, the SCF reserves the right to review, modify, or delete any file or terminate any activity that may interfere with the operations or security of the SCF.

The first time you login, the computer will ask for your first and last name and your UC student identification number (SID). Please be prepared to enter this information the first time you log in. **YOUR SID WILL REMAIN CONFIDENTIAL** and both your NAME and your SID are **REQUIRED INFORMATION**. You will be prompted to change your password the first time you login.

Once you have logged in and changed your password, read the rest of this sheet, sign it at the bottom, and return the entire sheet to your GSI or instructor.

This account expires on the first day after the end of final exams or after the last class project is due, whichever is later. It may be used for legitimate purposes only (coursework for the class for which it is issued). Each account is issued to exactly one individual who agrees not to permit anyone else to use the account.

Computers and printers for class use are in 342 and 432 Evans.

The computers are to be left on at all times; DO NOT turn the power off. After you log out, just leave the computer powered on.

The use of SCF computing resources requires compliance with the Berkeley Campus Computer Use Policy and the University of California Electronic Communications Policy (ECP).

Acceptance of this account implies acceptance of the following statement (wherein the word "I" refers to the owner of this account). Please read it, sign below, and return the entire page to your GSI or instructor.

I agree to use this account only for class work. I understand that abuse of the account or any system resources may lead to termination of the account and to denial of future access to the entire SCF system. "Abuse of the account" includes, but is not limited to, repeated failure to follow posted rules for use of the facility; playing games (forbidden on this system); unauthorized attempts to access accounts, files, or system resources of others; malicious mischief of any sort; and failure to comply with direct requests of the system staff regarding use of system resources. Files under this account are not personal property; as such, the SCF reserves the right to review, modify, or delete any file or terminate any activity that may interfere with the operations or security of the SCF.

Once you have logged in and changed your password, read the rest of this sheet, sign it at the bottom, and return the entire sheet to your GSI or instructor.

This account expires on the first day after the end of final exams or after the last class project is due, whichever is later. It may be used for legitimate purposes only (coursework for the class for which it is issued). Each account is issued to exactly one individual who agrees not to permit anyone else to use the account.

Computers and printers for class use are in 342 and 432 Evans.

The computers are to be left on at all times; DO NOT turn the power off. After you log out, just leave the computer powered on.

The use of SCF computing resources requires compliance with the Berkeley Campus Computer Use Policy and the University of California Electronic Communications Policy (ECP).

Acceptance of this account implies acceptance of the following statement (wherein the word "I" refers to the owner of this account). Please read it, sign below, and return the entire page to your GSI or instructor.

I agree to use this account only for class work. I understand that abuse of the account or any system resources may lead to termination of the account and to denial of future access to the entire SCF system. "Abuse of the account" includes, but is not limited to, repeated failure to follow posted rules for use of the facility; playing games (forbidden on this system); unauthorized attempts to access accounts, files, or system resources of others; malicious mischief of any sort; and failure to comply with direct requests of the system staff regarding use of system resources. Files under this account are not personal property; as such, the SCF reserves the right to review, modify, or delete any file or terminate any activity that may interfere with the operations or security of the SCF.

Acceptance of this account implies acceptance of the following statement (wherein the word "I" refers to the owner of this account). Please read it, sign below, and return the entire page to your GSI or instructor.

I agree to use this account only for class work. I understand that abuse of the account or any system resources may lead to termination of the account and to denial of future access to the entire SCF system. "Abuse of the account" includes, but is not limited to, repeated failure to follow posted rules for use of the facility; playing games (forbidden on this system); unauthorized attempts to access accounts, files, or system resources of others; malicious mischief of any sort; and failure to comply with direct requests of the system staff regarding use of system resources. Files under this account are not personal property; as such, the SCF reserves the right to review, modify, or delete any file or terminate any activity that may interfere with the operations or security of the SCF.

Acceptance of this account implies acceptance of the following statement (wherein the word "I" refers to the owner of this account). Please read it, sign below, and return the entire page to your GSI or instructor.

I agree to use this account only for class work. I understand that abuse of the account or any system resources may lead to termination of the account and to denial of future access to the entire SCF system. "Abuse of the account" includes, but is not limited to, repeated failure to follow posted rules for use of the facility; playing games (forbidden on this system); unauthorized attempts to access accounts, files, or system resources of others; malicious mischief of any sort; and failure to comply with direct requests of the system staff regarding use of system resources. Files under this account are not personal property; as such, the SCF reserves the right to review, modify, or delete any file or terminate any activity that may interfere with the operations or security of the SCF.

STATISTICS CLASS ACCOUNT FORM

Class for which assigned: s239
Account login name: s239bw
Account password: kou6PeBa (phonetic: kay-oh-yoo-six-pee-eeh-bee-ay)

Be careful in reading and typing your login name and password to distinguish among upper and lower case letters and numbers. The first time you login, the computer will ask for your first and last name and your UC student identification number (SID). Please be prepared to enter this information the first time you log in. **YOUR SID WILL REMAIN CONFIDENTIAL** and both your NAME and your SID are **REQUIRED INFORMATION**. You will be prompted to change your password the first time you login.

Once you have logged in and changed your password, read the rest of this sheet, sign it at the bottom, and return the entire sheet to your GSI or instructor.

This account expires on the first day after the end of final exams or after the last class project is due, whichever is later. It may be used for legitimate purposes only (coursework for the class for which it is issued). Each account is issued to exactly one individual who agrees not to permit anyone else to use the account.

Computers and printers for class use are in 342 and 432 Evans.

The computers are to be left on at all times; DO NOT turn the power off. After you log out, just leave the computer powered on.

The use of SCF computing resources requires compliance with the Berkeley Campus Computer Use Policy and the University of California Electronic Communications Policy (ECP).
